BEAUTY FULL OF CONTRASTS

**With class, but modern.
Minimalistic, but impressive.
There you go!**

It allures with the bustle of eclectic streets, flirts, permeating the sounds of nightlife through the air, distanced by the cold, concrete grayness one minute, only to a moment later, amaze with the blinding glow of neon lights or to calm the senses with the greenery emerging from between the buildings. New York – the Big Apple – a city with tastes that differ according to palate.

FASHION & DESIGN

We're channeling our love and passion of art, travel, fashion and beauty into the world of interior design. Following Joanna Przetakiewicz's motto: "Interiors, just like fashion, are an expression of a person's character, they evoke emotions and inspire us to act" - we are combining our strengths, experiences, life stories and all that we have achieved in many different disciplines. It's a clash of two worlds, that of fashion and that of design, in the building and establishing of new interior trends.
